

# pavel pivarshev

Hi, i'm **pavel**. I'm creative, hard-working, and extremely curious. I have an unrelenting **passion for art** and a **dedication to learning & sharing knowledge**. With years of experience in both science & visual art, i am an asset to any creative project. I'm great with deadlines, i love to teach, and **i know how to make things look good**. I look forward to lending my skills & drive to an organization that seeks to make the world a **kinder, smarter, & more beautiful place**.
